FCC MOVES TOWARD LICENSING NEW WIRELESS

ERA (Report No. WT 95-5, Wireless Telecom Action)

Today, the delivery of the next generation of wireless communications services moved one step closer. Having completed the \$7.7 billion auction for broadband PCS, the FCC is now moving with the record speed toward licensing successful bidders. Today, the FCC announced that it's accepted all the auction's license applications, just one week after the winning bidders filed their long form applications.
